*ACCT 330 is required for ACCT and FNAN majors. ACCT 303 is required for ISOM, MGMT, & MKTG majors.
The 3-attempt rule applies to all Business Core Courses and Accounting major courses.
• Avoid taking numerous classes of one type in a semester (i.e., too many reading-heavy or math-heavy classes)
  Example: ACCT 303, FNAN 303, and BUS 310

• Keep in mind your working life
  • Full-time: Recommend no more than 2 classes
  • Part-time: Recommend no more than 4 classes

• Use first semester to take a lighter credit load and get adjusted to GMU

• Make time to study: Allow 4-9 hours per week to study for each 3 credit course

• Don’t forget to factor in other priorities such as family and fun time!
MISSING CREDIT / WRONG EVALUATION

• The admissions processor overlooked the course
  • Fill out Transfer Credit Inquiry Form

• Final grades have not yet been received by Mason
  • Always confirm Mason Admissions has received the final transcripts from all institutions you are transferring from!

• You received a grade of C- or less

• Admissions gave you credit for the course based on its title
  • You need to have it re-evaluated by the department at Mason
  • Fill out Transfer Credit Re-Evaluation Form
  • Bring syllabus and course description
Study Elsewhere

You must get study elsewhere requests approved prior to taking a course!

• Decision made by individual school/college where the course is from
  • Example: The final decision about studying elsewhere for ECON 103 would be determined by the College of Humanities and Social Sciences

• Cannot study elsewhere in your first semester at Mason

• Once you take a course at Mason, you cannot retake it elsewhere
  • Example: Took ACCT 203 at Mason in Fall 2017 and got an F. Cannot retake at NOVA for credit, must retake at Mason.
