What to Expect in Class:
Class time is spent on high-impact, active learning activities. Students should be prepared to engage with the material, their classmates, and the faculty. [Class Length: 2 hours and 40 minutes]

What to Expect Out of Class:
Students are expected to adequately prepare before class to promote a stimulating classroom experience. Online material will supplement assigned readings and other coursework. [Time commitment: 6-8 hours per course each week]

The Mason MBA offers an academically rigorous experience within a convenient and flexible structure that is responsive to student needs and supportive of student initiatives. Complete your MBA online or on campus (Arlington or Fairfax) at the pace that fits your schedule and avoid the career interruption that many other accelerated MBA programs require.

As a Mason MBA student, you not only gain an advanced understanding of core business fundamentals such as accounting, communications, ethics, finance, marketing, operations, and technology, you also acquire the framework to apply your knowledge immediately. Become a leader in your company with the knowledge to make smart decisions and the ability to influence and work effectively with others across all lines of business.

“The Mason MBA pushed and challenged me at every turn to achieve beyond what I previously thought possible.”
- Jonathan R. Snowling, MBA ’11
Senior Partner, SR Strategic Communications
